2. Choose your location and school/organisation, and login by your ID and password (same as the ID and password in school information system).

Basic Introduction

Web – Homepage

1. Header: course search, App QR code, language setting, access to your courses are provided.

2. Menu: accesses to Courses, Files, etc. that are classified by attributes.

3. News: notifications of activities and alerts such as assignment information and exam reminders.

4. Recently views: course/pages that you visited recently.

5. TO-DO List: your to-do tasks or activities to attend, such as course assignments and tests.

Web – Course

1. Personal Inquiry: view the rollcall, course members, grades, and analysis.

2. Learning Management Menu: switch to bulletin, syllabus, materials, assignments, tests, etc.

3. Course (Section): show learning activities in the course

4. Completeness: check the progress of all learning activities

App – Course (1/2)

- 1. Press **Courses** to see your own course list.
- 2. Choose a course and enter its home page.

App – Course (2/2)

Course Introduction Course Introduction Course Introduction

技工校统计学课程 course opened 2017.05.22 course estimated no estimate

- 1. Press and enter into find courses page
- 2. picked courses/all courses: show the hottest public courses, new public courses, and all public courses.
- 3. Choose a course, and enter into **Course Introduction**.

8-Step for Your Study

Step 1 (1/3): Enter your course

1. Lgoin TC Web and enter into **Menu**, click the notification of **To-Do List** to submit assignment or attend exams.

2. Click "Courses" and enter into courses list page.

Step 1 (2/3): Enter your course

3. Click the "course name" in course list to enter into the

course content page.

4. On the course content page, click the function module to switch to different learning activities pages for learning; you can also directly click the "**learning activity**" in the "**chapter**" to learn.

Step 1 (3/3): Enter your course

Choose a course on the Course List page to browse main page of the course

Step 2 (1/2): View and download files

1. Get into the course and click **Grade** button to overview your grades.

2. You can view your score gained from each learning activity, such as attendance, class performance, assignments, tests, and discussions.

Step 8: Checkpoint Learning

 In Checkpoint Learning mode set by teachers, the locked learning activity is prerequisite (with a lock icon) for other activities.

 When you enter the target learning activity that is locked, your will see reminders and descriptions of **prerequisites**.

You need to complete the required learning tasks first to get the permission for the target learning activity.

Make teaching and learning easier!
