D. Internal Screening Information :

- (A) Deadline : from now to 12:00(noon) **June 18th, 2021 (Friday)**
- ~~*Hard copies only.~~ We don't accept any application later than the mentioned deadline.
- ~~*Due to the spread of COVID-19, please submit the application in PDF format and send to marberthsu@email.ntou.edu.tw Please call (02)2462-2192 ext.1223 after you send the application to the email above.~~
- ~~*If there is any question or concern that you might have, please call us.~~

- (B) Procedures :

- (C) Application Package :

Please use **A4 size, PDF format** and print with ~~single side~~. There is no need to bind your application package. You only have to collect them as the order below. We'll reject the

application package which is not completed as the instruction.

*The formats and samples can be downloaded from <https://ro21.ntou.edu.tw/p/412-1022-6906.php?Lang=zh-tw>

1. **Checklist** : Please use the format.
2. **Application form** : Please use the format. We'll suggest you to type by the computer and print it out. Then, don't forget to sign on it.
 - No matter the applicants' age is under or over the legal requirement, applicants have to ask their parents or guardian to sign on the application. If it is hard to do that, please contact OIA to discuss about the alternative.
 - ~~Undergraduate applicants' application has to be stamped by their department and college. We won't accept the application without the stamps.~~
 - ~~Graduate applicants' application has to be stamped by their supervisor, department and college. We won't accept the application without the stamps.~~

*Students have to have their own signature and their parents or guardian's signature. OIA will submit your application to be stamped by your department and college. If you are a graduate student, please send us your supervisor's approval.
3. **Original Academic transcript**(including the original scores, ranking and percentage) : Please apply for it from the Division of Registration and Curriculums (at the 3rd floor of the administration building).
 - Undergraduate applicants have to submit the transcript including all undergraduate semesters.
 - Graduate applicants have to submit the transcripts including undergraduate and graduate semesters.
 - Transfer students have to submit the transcript issued by NTOU and the previous university.

*If it is hard for you to have the formal transcript, please contact the coordinator to discuss the alternative.
4. **Language Proficiency** :
 - Please submit the **valid** language proficiency. We'll need the original and the copy ones. After the confirmation, we'll return the original one to you.

*We don't accept the "My Best Score" for TOEFL(iBT).
 - If the applicants have had the examination and had the scores online but haven't received the formal transcript or certificate, applicants can use the screen shot photo as an alternative. Please do not forget to re-submit the copy of formal certificate when the applicants received.
5. **Autobiography** : The sample is for your reference. It is not mandatory to submit it as the sample format.
6. **Study Plan** : The sample is for your reference. It is not mandatory to submit it as the sample format.
7. **Application for Financial Support** : Please refer to the sample and use the designed format.
 - It will be regard as the applicants give up applying for the scholarship if they don't submit the application for financial support along with the application package.

8. **Preference and Confirmation** : Please use the designed format. It is no need to submit if you apply for the non-partner universities.

【How to complete the Preference and Confirmation】

- (1) Please refer to Appendix 2 to fill in this form. The no.1 preference means the university and department/program you would like to study most. Each applicant can choose no more than 5 preferences.
- (2) Choose one department or program at the same university.
- (3) For example :

No.	University	Department/Program
1	Chung-Ang University	International Logistics
2	Chung-Ang University	Business Administration
3	University of Malaya	Business and Accountancy

- Because applicants only can choose one department or program at the same university, the no. 2 preference will be regard as invalid. It will be replaced by the no.3 preference.
 - OIA will check applicants' preferences one by one. If applicants' eligibilities are not as the partner universities ask, the preferences will be regard as invalid.
9. **Copy of ID Card or ARC Card**(Please copy at the same A4 paper and do not cut it.) ◦
 10. **Certificate of Enrollment** : Please print it from the Academic Information System. It is need to include the current semester record.
 11. **Other Documents** : e.g. portfolio, certificates and etc. (Please provide those you obtain during your undergraduate and graduate times.) If you have financial concerns, please provide the related proof. It will be regard as the reference for the scholarship.

(D) Internal Screening :

1. Document Check : OIA will check applicants' eligibilities and application package. We'll reject the application if the applicants' eligibilities are not as required or any documents of the application package is missing or is not completed.
2. Interview : The committee composed of the representatives from each college will interview the applicants. The will take the parts below into considerations.

Part	Academic	Language	Application & Interview
Percentage	30%	30%	40%

- (E) Principles of the Distribution : After the interview, the committee will confirm the result (nomination) by each applicant's scores and preference. The committee will refer to the language and preference order if applicants have the same scores. If the language and the preference order are the same, the committee will discuss and make the final decision.

E. Notification :

(A) During the Application Procedures

1. Students who passed the internal screening will be nominated to the partner universities, but the partner university has the right to admit or decline the application after the evaluation at their side. Students whose nominated status will be revoked if they can't

obtain the acceptance from the partner university and/or the student visas. If there are scholarships involved, that will also be revoked.

2. After the distribution, students are not allowed to change the nominated status. If the admitted campus, department or exchange period is not up to expectations, students must decide whether to accept or withdraw their eligibility. **Please note that students who renounce the nominated status will not be accepted to apply for the exchange program before they obtain the current degree.**
3. If the exchange quotas and requirements alter accordingly due to the partner universities' regulations, students must accept this without any objections.
4. The partner universities do not have the responsibility of providing campus dormitories. Students must apply for dormitories in accordance to host university's regulations. If the host university doesn't provide the housing or students didn't apply for dormitories as required, students have to arrange for their own accommodations. The host university and OIA carries no responsibilities in this aspect.
5. Exchange student should apply for a revocation of admission to the OIA if they are unable to join in the exchange program. Punishments are in accordance with school regulations if students withdraw without apparent reasons and cause issues between both NTOU and the host university.

(B) After Being Accepted by the Host University

1. After receiving the acceptance letter from the host university, exchange students have to contact the embassy to confirm how to apply for the student visa. Exchange students are responsible for their passport, visa and the transportation to the host university. If there are any difficulties, OIA will provide assistance within the scope of our responsibility. **Please note that OIA won't assist in the purchase of flights and the application for the passport and student visa.**
2. Exchange students are required to purchase their own insurance from the day of departure until the day of arrival in Taiwan (which includes medical, accidental, overseas rescue, etc.). Students should send OIA the copy of their insurance policy. OIA can revoke the admission if students don't purchase the required insurance.

(C) During the Exchange Program

1. Exchange students have to complete the registration and pay for the tuition to NTOU during the exchange period. Even the host university waiver all of partial tuition, students still have to be responsible for their personal living expenses. (Please note that some host university will ask students to pay for the miscellaneous expense. It is mandatory to pay for it because it is not the tuition.)
2. During the exchange period, students are not allowed to apply for graduation or suspension in NTOU. If any violations occur, the exchange status and scholarship will be revoked.
3. During the exchange period, students have to obtain the consents from both universities if he or she would like to suspend the exchange with any special changes.
4. After registration at the host university, students should abide by the university's regulations. Student shall not take part in situations that will damage both universities'

reputation. If any violations are made, student will accept the punishment set by the rules from both universities.

5. The host university has the right to revise the courses they announced. The courses might be revised or cancelled due to some considerations.
6. During the exchange period, student have to stay in close contact with their family, OIA, the host university and pay attention to the safety issues.
7. Students have the responsibilities and obligations to promote NTOU by participating in related activities organized by the host universities such as exchange student fairs.
8. After the exchange program, exchange students must return to NTOU and continue their studies in their original department to obtain the degree.
9. Exchange students are not allowed to extend their exchange period without NTOU and the host university's approval. Students who would like to extend the exchange period have to contact OIA within one month after the beginning of the semester at the host university.

(D) Obligations

1. The exchange student should discuss credit transfer matters with respective offices (e.g. departments, General Education Center, Physical Education Office and etc.) before leaving to the partner university. When returning to NTOU, please follow the regulations as the respective offices ask to do the credit transfer. Credits obtained from partner universities are not guaranteed to be calculated the same as NTOU. If both universities use different methods of calculation, causing the student to lose out certain credits, OIA will not be able to provide evidence for the student and will not have the responsibility to help the student strive for credits. If student is unable to graduate due to credit problems, the student should take responsible for all the consequences.
2. Exchange students awarded by the scholarship have to submit the Experience Report (1,500-2,000 words), the Questionnaire and 5 Photos to OIA within two weeks after being back to Taiwan. NTOU is entitled to disclose any information on that report on websites or provide use to relevant activities without the students' consent.
3. Exchange students have the obligations to assist OIA to promote the related programs.

(E) Others :

1. The internal screening result can be regard as the nomination order for the [Japan-Taiwan Exchange Association Scholarship \(for short-term exchange\)](#).
2. **Duo to the spread of the COVID-19, partner universities has the right to suspend or cancel the programs. Applicants have to abide by the official announcements.**
3. OIA reserves the rights to revise or update this guideline.
