	English Graduation Requirements B9D03TVS	0	Unlimited					0						The graduation requirement for the Department of Shipping and Transportation Management is to participate in an English proficiency test, submit a transcript as proof, and pass (with a TOEIC score of 600 or equivalent scores in other universally recognized tests). Students who do not meet the English language proficiency standards during their academic study period must provide proof of the failed English proficiency test. Upon approval by the department, they are required to take the "Advanced English - Intermediate" course. Successful completion of the English proficiency test is a prerequisite for graduation.
	Swimming Graduation Requirements B92A12P5	0	Unlimited					0						The following conditions must be met for swimming proficiency: 1. Completion of a swimming course during the academic period. 2. Participation in the university's swimming proficiency test and obtaining certification from the sports department for successfully swimming a distance of fifty meters.

															3. Participation in recognized swimming competitions with documented proof of participation or achievements. 4. Submission of a medical certificate stating the inability to engage in swimming activities, specifying the duration of the restriction, and if the restriction extends beyond the student's remaining period of study.
