

National Taiwan Ocean University 2024/2025 Local Student and Overseas Chinese Student Tuition Fee Chart

Subject	Bachelor Degree	Tuition	Miscellaneous	Master and Doctoral Degree	Tuition	Credits	
Merchant Engineering	71 Merchant Marine	16,960	10,850	71 Merchant Marine	13,453	\$1,595/credit	
	68 Transportation Science	16,960	10,850	68 Transportation Science	13,453		
	6A Marine Engineering (Division of Applied Energy)	16,960	10,850				
	6D Marine Engineering (Division of Power Engineering)	16,960	10,850	66 Marine Engineering	13,453		
	6F Marine Engineering	16,960	10,850				
	72 Mechanical and Mechatronic Engineering	16,960	10,850	72 Mechanical and Mechatronic Engineering	13,453		
	51 Systems Engineering and Naval Architecture	16,960	10,850	51 Systems Engineering and Naval Architecture	13,453		
				5A Systems Engineering and Naval Architecture - Institute of Applied Acoustics (Master)	13,453		
	52 Harbor and River Engineering	16,960	10,850	52 Harbor and River Engineering	13,453		
	Computer Science	53 Electrical Engineering	16,960	10,850	53 Electrical Engineering		13,453
		56 Bachelor Program in Ocean Engineering and Technology	16,960	10,850			
		57 Computer Science and Engineering	16,960	10,850	57 Computer Science and Engineering		13,453
		6C Communication Navigation and Control Engineering	16,960	10,850	67 Communication Navigation and Control Engineering		13,453
		88 Bachelor Program in Optoelectronics and Materials Technology	16,960	10,850	56 Doctoral Program in Ocean Engineering and Technology		13,453
89 Optoelectronics and Materials Technology		16,960	10,850	89 Optoelectronics and Materials Technology	13,453		
Life Science	32 Food Science	16,960	10,630			\$1,577/credit	
	39 Food Science (Division of Food Science)	16,960	10,630	32 Food Science	13,158		
	3A Food Science (Division of Biology Technology)	16,960	10,630				
	33 Aquaculture	16,960	10,630	33 Aquaculture	13,158		
	3B Bioscience and Biotechnology	16,960	10,630	3B Bioscience and Biotechnology	13,158		
				02 Food Safety and Risk Management	13,158		
				34 Marine Biology	13,158		
	Ocean Science and Resource	38 Bachelor Program in Marine Biotechnology	16,960	10,630	31 Environmental Biology and Fisheries Science		13,158
		31 Environmental Biology and Fisheries Science	16,960	10,630	81 Marine Environmental Informatics		13,158
		81 Marine Environmental Informatics	16,960	10,630	86 Earth Sciences		13,158
				37 Marine Affairs and Resource Management	13,158		
				83 Marine Environmental and Ecology	13,158		
				08 Doctoral Degree Program in Marine Biotechnology	13,158		
				09 Doctoral Degree Program in Ocean Resource and Environmental Changes	13,158		
Management	73 Shipping and Transportation Management	16,820	7,320	73 Shipping and Transportation Management	11,769	\$1,562/credit	
	76 Ocean Tourism Management	16,820	7,320	35 Applied Economics	11,769		
	77 Bachelor Program in Ocean Business and Management	16,820	7,320				
Social Science	01 Bachelor Program in Ocean Law and Policy	16,820	7,320	04 Master Program in Ocean Policy	11,481	\$1,562/credit	
	9E Bachelor Program in Oceanic Cultural Creative Design Industries	16,820	7,320	74 The Law of The Sea	11,481		
				9A Education	11,481		
				9C Oceanic Culture	11,481		
				9D Applied English	11,481
