Remarks

1. The minimum graduation credit requirement for this program (department) is 128 credits, including 105 credits of required courses and 23 credits of elective courses.
2. Among the elective credits, at least 9 credits must be from electives (professional electives) offered by this department.
3. This program (department) is planned to collaborate with the Department of Maritime Management and the Department of Transportation Science at our university as part of interdisciplinary learning objectives. If a student completes 9 credits (inclusive) or more of the "required" courses from the same department in either of these two departments, these credits can be counted as professional elective credits for this department.
4. Credits from physical education, military training, or national defense education courses are not included in the graduation credits for this department.
5. Students must pass the university's "English Proficiency Test" and "Swimming Proficiency Test."
6. The English graduation requirement for students is a TOEIC score of 600 (inclusive) or above. (Students who do not meet this requirement must take intermediate or advanced English courses.)
